

Heirens Enters Plea Of Guilty to Three Murders

HEARINGS TO FIX PENALTY ARE STARTED

University Sophomore Haltingly Admits Crimes With Indictments

DEGNAN CASE IS FIRST

Chicago, Sept. 4.—(P)—William Heirens, 17-year-old student who rode the path of crime to gratify perverted sexual desire, pleaded guilty today to three of Chicago's most heinous murders and a court began hearings to fix his punishment.

After rattling off "guilty" to a long list of minor crimes, the warthy, bushy-haired university sophomore haltingly admitted guilt when confronted with indictments charging he murdered six-year-old Suzanne Degnan, Mrs. Josephine Ross and Miss Frances Brown.

When the clerk announced the indictment accusing him of the ritual murder of Suzanne Degnan, Heirens wrung his hands, his lips quivered and he responded haltingly: "Guilty."

Chief Justice Harold G. Ward of Cook County (Chicago) pronounced the guilty verdict and the proceeding to warn Heirens of his constitutional rights and the jeopardy into which such a plea placed him.

The same procedure was followed with the indictments accusing him of murdering Mrs. Ross, 43-year-old widow, in her apartment on June 5, 1945, and Miss Frances Brown, 33, a former WAVE, in her apartment on Dec. 10, 1945. Suzanne Degnan was strangled in her room Jan. 7 and her body dismembered and scattered in sewers throughout the neighborhood.

Wilbert Crowley, first assistant state's attorney, announced at the conclusion of arraignment proceedings that the state was ready to proceed with the hearing. A brief recess was called.

The state announced at the arraignment the dismissal of three assault with intent to commit murder charges.

Crowley said the state first would present evidence in the Degnan case, to be followed by the Ross and Brown cases. Roland Towle, defense counsel, said his client would submit evidence in the three murder cases, some of which were burglary cases and stipulate the remainder.

While Heirens was entering his plea, James Degnan, father of Suzanne, sat at the prosecution attorney's table.

Behind him were Heirens' parents, George and Margaret Heirens, grim and silent.

Heirens came into the courtroom wearing a green sport coat, dark trousers, a blue shirt and a white necktie. His mien was serious, greatly changed from that of previous court sessions.

The state reportedly has agreed to refrain from asking the death penalty, in exchange for the signed statements made by Heirens on Aug. 6 relating details of the three slayings. In the statements he told of strangling the six-year-old Degnan child and dismembering her body, of the shooting and killing of Miss Brown, 33, a former WAVE, last Dec. 10, and the fatal stabbing of Mrs. Ross, a 43-year-old widow, on June 5, 1945.

The psychiatrists in their report submitted to State's Attorney William J. Tuohy yesterday said that Heirens was able to conduct his defense in a rational and reasonable manner, although he has a deep sexual perversion which was the cause of his crimes, and that he "feels no remorse, now."

Dionne Quintuplets Have Baby Brother

North Bay, Ont., Sept. 4.—(P)—The Dionne quintuplets are trying to pick a name for their new baby brother, born last night.

The 12-year-old quintuplets were excited by the new arrival, described by doctors as "a beautiful boy" weighing about eight pounds.

He was the 14th child born to Mr. and Mrs. Olive Dionne. Thirteen, including four other boys, are living. Mrs. Dionne is 37, her husband 43.

Report Army Vans Halted By Strikers

New York, Sept. 4.—(P)—Striking truck drivers, carrying their fight for higher pay and shorter hours into the second successive day, concentrated efforts today to halt trucking from entering New York City from New Jersey, and there were reports of army vans being halted at the border.

While trucks remained idle in New York garages and parking lots, members of local 807 of the AFL International Brotherhood of Teamsters gathered at the exit of Holland Tunnel where they urged drivers hauling into New York by way of New Jersey to return to that state.

In New Jersey trucks from distant points such as Florida were reported seeking warehouse accommodations because of the dispute here involving an estimated 25,000 persons.

Harold Williams, recording secretary of local 807, told of the report that army trucks were being halted at the Jersey side of the Holland Tunnel as he left for the scene in an army car in company of a major.

Meanwhile, trucking operators agreed to "stand pat" until the strikers negotiated with them "on a reasonable basis."

As sharp curtailment of food shipments, threats of food shortages, and a railway express agency embargo on intra-city shipments followed in the wake of the strike, the operators last night extended a vote of confidence to its wage scale committee in "the action taken thus far" in the strike and indicated it would resist the demands of the union.

Quaker City Faces Shortage of Meat

Philadelphia, Sept. 4.—(P)—The nation's third largest city appeared headed today for an acute meat shortage as three independent meat packers who kill about half of the city's beef, veal and lamb, cut off deliveries to approximately 2,500 retail butchers.

Spokesmen for the Consolidated Dressed Beef Co., Cross Brothers, and South Philadelphia Dressed Beef Co., said they have been forced to cut off deliveries because livestock producers have refused to sell at bidding prices. One company official said his firm will close "until the supply and price situation come into balance."

George Casey, president of John J. Fells & Co., Inc., one of the area's largest pork packers, said pork supplies have been cut 75 percent because "we haven't been able to buy one hog since early last week. If we fail to get additional shipments by the weekend we will close down for an indefinite period."

LUZERNE LAWYER DIES

Wilkes-Barre, Sept. 4.—(P)—Attorney Edward Francis McGovern, 58, an outstanding criminal lawyer and a distinguished member of Luzerne county bar, was found dead of a heart attack at his home today.

Wage Dispute Halts School Opening in Norwalk, Conn.

Norwalk, Conn., Sept. 4.—(P)—Norwalk high school students cheered today as School Superintendent Philip Jakob, addressing them from the steps of the school building, told them to go home. The reason: "There are no teachers on the opening day of the fall term."

Although only nine of 236 teachers have signed contracts for the coming year and the Norwalk Teachers Association, involved in a pay dispute, had announced its members would not report for duty, about 800 of the high school's pupils showed up in advance of the opening hour.

The pupils cheered the "no school" announcement, but many expressed concern that a protracted dispute might force them to attend classes during winter vacation or next summer to make up or time lost now.

Jakob said radio announcements would be made each morning to inform them if classes could be started.

LEFTISTS IN GREECE WILL CONTEST VOTE

Announce Decision to Challenge in Supreme Court Validity of Sunday's Plebiscite

ALLEGED FALSIFICATION

Solution Of Trieste Issue Is Unsettled

By L. S. CHAKALES

Athens, Sept. 4.—(P)—Authoritative quarters in the Leftist EAM announced today a decision to challenge in the Greek supreme court the validity of last Sunday's plebiscite which the government has reported resulted in and overwhelmingly majority for the return of King George II from exile.

The challenge, it was stated, would be based on allegations of fraud, violence and falsification, and the case will be heard before the end of September.

Radical military elements of the EAM challenge the Greek government in an uprising in December 1944.

The decision was disclosed as the total vote cast Sunday neared 100 per cent of the estimated total registration. The king was officially reported to have received 69 per cent of the vote with only 136 precincts left uncounted.

The ministry of interior, explaining this apparent high percentage of votes cast, said large numbers of civil servants and soldiers not recorded on the electoral lists had been given voting slips.

The British-American observer mission announced some time before the election that revised electoral lists contained approximately 1,700,000 names, and the latest results issued by the ministry of interior listed more than 1,673,000 voters already counted.

The Greek government warned that emergency measures—including establishment of military courts empowered to prescribe the death sentence—would be instituted unless Communist bands (Turn to Page Three)

Casualties In Hindu-Moslem Riots Soaring

By MILTON KELLY

Bombay, Sept. 4.—(P)—Casualties resulting from bitter Hindu-Moslem clashes which began in Bombay Sunday soared to 132 dead and 484 wounded today following a day of sporadic violence, during which police several times opened fire to disperse rioting mobs.

The disorders occurred mostly in the northern section of the city, but extended to the main business section, where mobs tried to break into stores and attempted to burn a house of worship. Streets in a few areas were littered with rocks hurled at police patrols.

Under the threat of further trouble, many places of business closed their doors, while markets began to feel the pinch of a food shortage as deliveries fell off.

A health menace developed in one troubled section where sewers became clogged and workers refused to clean them in fear of their lives.

A government communique said the general situation showed "no signs of improving."

Police announced that a total of 1,163 persons had been arrested on a variety of charges since the beginning of the disorders.

Six persons were killed during the night when police opened fire on a mob which had placed roadblocks in a northeastern Bombay residential section and set afire four trucks and two taxis.

BERGDOLL IS CLEARED OF ASSAULT CHARGE

West Chester, Sept. 4.—(P)—A Chester county grand jury has cleared Grover Cleveland Bergdoll, World War I draft dodger, of assault and battery charges filed against him by his former butler.

Clements Klein, 45, and his wife, Julia, accused Bergdoll of punching Klein during an argument on July 21. The former butler testified Bergdoll objected to the size of a household grocery bill, struck him and then pointed a rifle at him.

War Bride Kills Estranged Mate

The wartime marriage of a 26-year-old Irish girl ended in tragedy when she shot to death her estranged husband in Las Vegas. Mrs. Bridge Waters, pictured at left with her son, Frank, last April when she went to Las Vegas to contest the divorce action of her ex-soldier husband, Frank Waters, right, concealed a small pistol in the folds of her baby's blanket, police said, and fired one fatal bullet as he reached for the child to take it on an outing.

Contract For Preparing Plans For New Schools Is Awarded

One more step toward planning of post-war improvements in educational facilities in Warren was taken at last night's school board meeting, when Lawrie & Green, Harrisburg architectural firm, was awarded the contract for preparation of plans for a proposed new elementary school building designed to handle students of the out-moded Johnson and South street buildings.

Receipt of \$411.75 was acknowledged as the Department of Health's final payment for last school term, and announcement was received from the Department of Public Instruction that \$100 had been appropriated for use of the local school system in securing large-type textbooks for those pupils having difficulty in reading those of regular type. Such books have heretofore been borrowed from the department.

Resignations of Leona Westland, Latin teacher at Beatty, and Bertha Fraring Knapp, former Johnson teacher married this summer, were received and accepted.

Tuition rates for the next school term were fixed at \$10.25 a month for the elementary grades, \$11.70 for the high school and at \$16.75 for orthogenic classes. These rates apply where students come to local schools from homes located outside the borough and, in the case of high school pupils, are paid by their individual township.

The board approved also, the closing of school offices on Saturdays, tried out as an experiment during the summer vacation, such closing to depend upon handling of the work through the week and in case of emergency.

The Red Jackets, represented by Peter Panaritis, were granted permission to use Russell Field for Sunday football games, the rental fee to be \$10 if there are no concessions, \$20 if concessions are granted.

Approval was given the Community PTA Council's request for the use of Beatty facilities for a series of youth parties extending through to the first of the new year; also for the YWCA Girl Reserves' use of a room at Beatty each Tuesday from 3:15 to 3:30 P. M.

J. R. Gibson was elected as part-time janitor at the high school; Mr. and Mrs. Chester Nelson for part-time work at the Home street.

Score Are Dead In French Crash

By MEL MOST

Paris, Sept. 4.—(P)—Twenty persons were killed in the crash of an Air France liner taking off from Paris for London today, bringing to 49 the total number of dead in French plane accidents in three days.

The latest crash, which killed 17 of 21 passengers and three of the crew of five, occurred at 9:15 a. m. when the Paris-London liner failed to clear a factory roof at Le Bourget, Air France announced.

At the same time, the line confirmed the death of 17 passengers and five crew members when another of its planes crashed just 16½ hours before, 21 miles out of Copenhagen.

Three French airmen and four French civilian passengers were killed Monday when an army plane crashed in a wood shortly after taking off from the Villacoublay air base in Paris, for Grenoble.

Air France released the names of only the six survivors of the Bourget crash. It said it was withholding the rest of the passenger lists of the two planes "until next of kin have been duly notified."

YUGOSLAVIA HANDED BILL FOR DAMAGES

Sharp Notice Says United States Expects Tito Government to Pay Full Amount

PREDICT COMPLIANCE

BULLETIN

Washington, Sept. 4.—(P)—Undersecretary of State William L. Clayton said today that if Yugoslavia will pay indemnity for loss of life and property, the United States stands ready to close the dispute over the downing of two American planes.

Clayton told a news conference this country hopes to have its bill for damages ready for Belgrade in the near future.

He added that the United States considers its \$100-million note to Yugoslavia yesterday as closing correspondence on the matter except for the indemnity issue.

Washington, Sept. 4.—(P)—The United States handed Yugoslavia a blank bill for damages today with a sharp notice that it expects Marshal Tito's government to pay the full amount when it is written in.

If Tito agrees, this country stands ready to write "finished" to the incidents in which two unarmed American transport planes were forced down by Yugoslav fighters at a cost of five American lives.

Should Tito refuse, the United States might have to dust off its 18 day old threat to take the case before the United Nations Security Council.

Most American officials concerned with the matter appeared to believe Tito would agree to indemnity terms, following his recent expression of regret over the incidents and assurances that they would not recur.

But no one was willing to predict for the record the Yugoslav premier's reaction.

The notice that the United States expects damages for the loss of life and property was contained in a 3100-word note delivered by Undersecretary of State William L. Clayton to Dr. Sergej Matkovic, Yugoslav charge d'affaires, last night. The note in fact, expressed surprise that Yugoslavia had not volunteered in advance to pay.

Beauty Contest In Preliminary Round

Atlantic City, N. J., Sept. 4.—(P)—Beauty queens from 37 states and 11 cities are scheduled to enter preliminary rounds today in the contest to select a Miss America of 1946.

One-third of the contestants will appear in bathing suits tonight at Convention Hall, one third in street clothes for auditions of their talents and the others in evening gowns.

Fifteen entrants will reach the finals Saturday night with \$25,000 in scholarships awaiting them as prizes. Of this amount \$5,000 will go to the winner and the rest of the awards will be divided among the 14 runners up and the most talented girl not appearing in the finals.

The 48 girls took part yesterday in a pulchritude parade along the boardwalk, with 21 floats carrying local girls dressed in bathing suits, most of the contestants, dressed in evening gowns, rode in roller chairs.

CENTENNIAL ENDS

Latrobe, Sept. 4.—(P)—St. Vincent's Archabbey and College concluded its colorful, three-day centennial celebration today after conferring 12 honorary degrees and electing 54 delegates from 54 colleges and universities in all parts of the United States. A Benedictine centennial symposium highlighted the closing ceremonies.

Democratic Candidates Visit Warren Today

Col. John S. Rice and Senator John Denney, candidates on the Democratic ticket for Governor and Lieutenant Governor, were in Warren for a short time today enroute to points in McKean county.

The candidates will speak this evening at a big dinner rally to be held at the Emory hotel in Bradford. Last evening they spoke before a capacity crowd at the court house in Erie.

Looks Like Chinaman Will Be Accommodated

Peiping, Sept. 4.—(P)—Wang Yi-Tang, former chairman of the Japanese organized in North China Political Affairs Commission, listened today to the reading of 12 charges of collaboration filed against him, then remarked simply:

"I should be shot." He declined to answer any questions or to make any other comment. He will be sentenced Saturday.

Seamen Set To Quit Ships On Thursday

Washington, Sept. 4.—(P)—The threat of a shipping tieup on all coasts tomorrow built up pressure on the Wage Stabilization Board today to alter its 12 day old "pav cut" decision affecting AFL sailors.

From within the board and outside, members were being urged to deny 43.00% AFL seagoing unionists wage boosts in excess of the \$17.50 a month granted rival CIO unions last June 15.

John Hawk, vice president of the AFL Seafarers International Union, said in New York yesterday that from 94,000 to 100,000 AFL seamen on the Atlantic, Pacific and Gulf coasts were ready to walk off their ships Thursday. He did not set an hour.

The issue took on aspects of a test of the government's wage stabilization program because of this background:

In July the AFL-sailors union of the Pacific negotiated a contract with the Pacific American Shippers Association calling for a \$2.50 monthly increase for able-bodied seamen.

Later the AFL-Seafarers International Union won a \$27.50 a month hike from the east and Gulf Atlantic coast general agents.

Although the War Shipping Administration approved the higher rates for AFL seamen, the wage board ruled the increase could not exceed the \$17.50 settlement accepted by the CIO-National Maritime Union strike crisis.

The board held that any raise over \$17.50 would be inflationary. That touched off the new strike threat.

Pensions For War I Vets Advocated

Boston, Sept. 4.—(P)—The Veterans of Foreign Wars 47th national encampment today adopted a resolution advocating disability and age pensions to World War I veterans under the same provisions governing benefits to veterans of the Spanish-American war.

Until now, World I veterans have been granted "disability and age pensions" only after proving disability occurred while in the service.

Investigation of food shipments to former enemy countries "with a view to halting such shipments as long as one single citizen of the United States is unable to obtain sufficient food to maintain proper health," was demanded by the Veterans of Foreign Wars today.

Business sessions were suspended this afternoon for a six-hour parade of an estimated 25,000 marchers in perfect weather.

FAT PRICE

Philadelphia, Sept. 4.—(P)—Young baseball fans have a "fat" chance of getting in free tomorrow to see the Yankees-Athletics baseball at Shibe Park.

Admission—a three pound can of used kitchen fat.

Stage Set For Heated Battle For New York Governorship

A heated battle already underway over the New York governorship moves into the formal stage today with the Republican state convention putting up Governor Thomas E. Dewey for another term and the Democratic offering Senator James M. Mead.

Democratic leaders tapped former Gov. Herbert H. Lehman as the candidate to try to hold Mead's seat for their party in this fall's election. GOP chieftains settled on assembly leader Irving M. Ives to oppose Lehman.

Mead and Lehman were given the American Labor Party nomination last night at its New York City convention.

SOLUTION OF TRIESTE ISSUE IS UNSETTLED

Little Progress Being Made By 21 Nations Attempting to Write Peace Treaties

OTHER TOPICS ARE UP

Paris, Sept. 4.—(P)—The Four Power Foreign Ministers Council met for the second time today during the Paris peace conference today with Deputy Foreign Minister Andrei Vishinsky representing the Russians.

Soviet Foreign Minister V. M. Molotov, who earlier was reported by a French foreign ministry official to have returned from Moscow, was not present when the meeting opened.

French foreign officials said their latest information was that Molotov had not returned, and Russian sources said their best information was that the Soviet chief delegate would not be back until some time late this week.

A French foreign ministry official earlier had said Molotov returned this morning and that the four foreign ministers would meet to discuss peace conference problems. Molotov left Paris Saturday. British sources said the meeting of foreign ministers was requested by Vishinsky.

Connolly's maiden speech at the conference, asking "tolerance, patience and forbearance" in settling the stormy Trieste dispute came during a session of the Italian political and territorial commission, which was marked by conflicting claims for territory in the Trieste area of Italy at the top of the Adriatic Sea.

With Russia and other Slav belligerents, has been demanding the territory against and adamant United States and British opposition.

Senator Tom Connolly (D-Tex.), chairman of the senate foreign affairs committee, told the peace conference today that the Venezia Giulia area of Italy was a fertile soil for war, and appealed for the nations to "forget hatreds and prejudices."

"This is a peace conference, not a struggle to see which country can get the greatest benefit for any group," Connolly said. "We are here as ambassadors of the people of the world to solve the problems of the world."

The 21 nations attempting to write peace treaties for all the conquered nations of Europe save Germany and Austria still grappled with the issue of Trieste and the Venezia Giulia area of Italy.

Czechoslovakia, also in the Russian sphere through her foreign minister, Jan Masaryk, backed Yugoslavia's claim to Trieste today.

Brazil proposed postponement of action in the Venezia Giulia frontier until the Big Four be convinced to establish finally the bomber within a year after the Italian peace treaty becomes effective.

Molotov left Paris for Moscow Saturday, presumably to report (Turn to Page Three)

Erie Diocese Is Selecting Bishop

Erie, Sept. 4.—(P)—Delegates from Episcopal parishes in the Erie diocese assembled here today to elect a successor to the late Bishop E. Pinkney Wroth.

Rev. Wroth was a rector at Warren before serving as bishop. The election was scheduled for this afternoon.

Ratification of the leader selected at the convention is required by both the House of Bishops and the House of Lay Delegates, which will meet in general triennial convention in Philadelphia September 10 to 20.

A bitter campaign between Mead and Dewey was presaged by speeches at the rival party conventions and by the implications the election holds for the 1948 presidential election year.

From the national standpoint alone, each party would like to have control of the New York state government when 1948 rolls around.

For Dewey, defeat likely would mean elimination as a possible Republican presidential candidate in 1948.

Eagles Held Jolly Picnic Last Sunday

Warren Aerie of Eagles held their annual outing last Sunday evening at Oakview Park when the men and pa Eagles and all the little eaglets to the number of over 500 turned out. It was a happy event with the Lewis Catering service serving a splendid dinner.

During the afternoon there were several events arranged that were most enjoyable and added to the affair. The Bear Singers and Plantation Specials played a ball game which was won by the B. S. team by a score of 8 to 6. The male ball players, Bailey's River Rats, won from the Piker Players by a score of 22 to 13. The boxing match had to be called off because the principals overate and were nailed to their chairs.

There was a tug of war and Sunday and yesterday the sale of amica and innments topped anything ever purchased by the Eagle athletes.

All in all the picnic was a great success and everyone attending reported a gala time.

Mercury Down With Frosts On Nearby Hills

This morning provided a real promise of chillier days to come as the mercury sank to 38 in Warren. Out on the nearby hills the thermometer sank below freezing and at Roystone it registered 31 above. White frosts were reported from many parts of the county. That extra blanket was hauled out of the moth balls last night and this morning topcoats appeared as if by magic, with the "tropicals" covered by the all wool affairs. From all indications, the old snow shovel might be unwrapped and called for use, as evidently it won't be long now. However, the weather man came through with a prediction of warmer tonight and cloudy and warmer tomorrow.

POLIO SURVEY
Harrisburg, Sept. 4.—(AP)—The number of infantile paralysis cases in Pennsylvania this year was increased to 121 with the addition of 12 new cases during the week ended Aug. 13, the state health department reported today. This compared with 369 cases of polio listed up to the same date last year.

Positions Are Available For War Veterans

Discharged Army veterans may still reenlist in their former grades; plus a raise in pay, providing they served sufficient time in their MOS' in accordance with War Department Pamphlet 12-16. Men who were discharged under the old pay scale may return in their former rank and receive the benefits of the new pay bill passed by Congress which provides for raises ranging from increases of 20 per cent to 50 per cent for enlisted personnel.

Extra pay allowances for special duties are not affected by the bill. Soldiers continue to receive 20 per cent above base pay for overseas service, and 50 per cent additional pay for flying duty. Paratroopers also get \$50 a month extra. Base pay is increased five per cent for each three years of service, thus making retirement pay higher too.

Further details may be obtained at U. S. Army Recruiting Station, Room 207 Post Office Building, Warren.

The A and B Electrical Appliance Company has received a carload of Kalamazoo gas ranges, attractively displayed in the store at the corner of Prospect street and Pennsylvania avenue.

FIREMEN CHECKED

Monday evening firemen had a call from Ross Sanford, 1408 Pennsylvania avenue, west, that the firemen investigate at their home and see if the electric iron had been turned off. Mr. and Mrs. SSanford had gone to Corry and called from there. A check showed the iron was "off."

ROBBERY CASE CONTINUED

Taking of evidence in the case of the Commonwealth vs. Harold Dilley on a robbery charge was resumed when court convened for today's first session. The case was started yesterday when Dilley decided to stand trial on the charge. There is a mass of evidence to be heard and it is hardly expected that the case will go to the jury before this afternoon some time.

NEW VILLA MARIA

Warren folk who have attended or have had young folk attending Villa Maria College at Erie will be interested in the announcement that a new million dollar building will be erected on a plot of ground just west of Erie. It is expected to be started in 1947 and will be ready for occupancy in 1948. The present plans call for the main section and two wings to be erected at once. Other portions will be built during the next ten years. Present buildings of the Villa College will be used exclusively for high school students.

NEW CLUB POLICY

Announcement has been made by the Marconi Outing Club of a new policy which will succeed the 11 weeks of dance bands that have held forth with so much pleasure to the club patrons. The club will be open Friday, Saturday and Sunday nights until further announcement. LeRoy Johnson's four-piece orchestra and a high class floor show will offer the attractions. A special committee of the club recently visited booking agencies in Pittsburgh and arranged for the bringing to Warren each week of a good show. In order to carry out the plan and to present a really out-of-the-ordinary floor show, a cover charge of 50 cents per person will be charged. The new plan goes into effect Friday evening of this week, September 6th.

TANNERIES CLOSED

A total of six tanneries of the Keystone Tanning and Glue Company, including five in this area, have been closed by the shortage of hides. Operations have been suspended in the tanneries at Wilcox, Emporium, Clearfield, Coudersport and Salamanca. The Eagle Valley plant in Ridgway quit "soaking" last week and unless a shipment of hides is received the tannery will close September 10. The shutdowns also affect operations of the Ridgway Sole Cut plant.

SPECIAL DELIVERY SERVICE

Bartsch's furniture store is giving special attention to the delivery service in this section and to that end have just put into service two modern trucks. One of them appeared some days ago, gaily adorned with pictures and lettering which has drawn considerable attention to it. A second truck has just been unveiled and both are lined and equipped with all sorts of pads and things that deliver the new furniture in first class shape. The newly remodeled Bartsch store is to be the scene of a "grand opening" some of these days.

JOB COMPLETED

Widening and blacktopping of Route 62 from Irvine to Wildwood, which was started last year, has been completed by the Fago Construction Company, of Buffalo, and their machinery has been removed from the job. The road is in fine shape and the change is a step toward bettering driving conditions on the famed Allegheny Highway. The Allegheny Asphalt Company's making good progress on its contract from Wildwood to Tidouct. They have their mixing plant midway on the job, about ready for operation, and have had men working nights under electric lights in an effort to rush the job.

on the peace conference. Russia has proposed that the Sept. 23 meeting of the United Nations Assembly in New York be postponed, and this too may be a topic of the Big Four.

Masaryk told the Italian political and territorial commission that Yugoslav control would ensure "a peaceful and stable Trieste" and inferentially warned that internationalization of the Adriatic would cause future trouble.

The Big Four ministers council agreed last July on the "French line" as the Yugoslav-Italian border and the Yugoslav proposal was the first amendment to be discussed by a peace conference commission.

The Yugoslav proposal would give most of Venezia Giulia, including Trieste, to Yugoslavia.

Smoky City Girding For Power Strike

(From Page One)

Mayor David I. Lawrence, who had been in almost continuous session with the company and union since Friday in an attempt to avert the stoppage, appealed to the public to "use every influence it can on both company and union."

Union demands include a 20 percent wage increase and a master contract for the nine associated companies.

Before the union voted by secret ballot to strike, it rejected by an overwhelming voice vote an eleven-hour company proposal embodying 20 points to which the company would agree.

WATCH "SCHOOL ZONES"
"School zone" signs in Warren, disregarded during the vacation period, are taking on their full significance as a life-saving agency, and attention of motorists is called to the responsibilities attendant upon motor vehicle operation at the beginning of the fall school term tomorrow.

All drivers are strongly urged to use the utmost caution where children are crossing streets. No one can foretell when a child is going to rush forward from a group into the path of moving vehicles. Because of this uncertainty the duty devolves upon the motorist to have his car under such control that he can stop at a moment's notice. Safe drivers never take chances where children are concerned.

Operators are also reminded of the importance of co-operating with the School Safety Patrols in the county. The boys and girls who constitute these patrols, sponsored by the Warren Motor Club, are doing a splendid work in accident prevention. They are always on the alert to safeguard fellow pupils, but their efforts will be hampered without complete cooperation of automobile drivers.

HORSEBACK RIDING
One of the sports which should make great strides during the next few years of the development of Warren county as a recreational area is horseback riding. The number of trails available for pleasure riding and the beauty of the places which may be reached only by foot or on horseback make an ideal combination to attract riding enthusiasts.

To promote safe riding and to make the area safe for riding, an educational campaign to acquaint motorists with the proper courtesy toward horsemen will be necessary. To watch for horses and to slow down when meeting or passing them is a very simple matter, but it may make a great difference to any rider, new or experienced.

Comparatively few horses now have a fear of cars but the dust and gravel which is thrown by a car on a dirt road constitute a hazard any rider hates to face. Gravel and small stones thrown by a wheel may break a windshield or a car, or they may cause a panic-stricken horse to run away, with tragic results.

Fortunately, the considerate drivers are in the majority but enough careless ones exist to be a handicap to the development of a sport which should mean much to the area in the future.

SO SHE DID SWIM
Naval etiquette presumably would not permit Vice Admiral Blandy to revive the almost forgotten vaudeville catch question that seemed so funny when "Baron Munchausen" first coined it: Was you dere, Sharlie? Fleet Admiral Nimitz is, of course, Admiral Blandy's superior. So when Nimitz claimed that Pig Number 311 never was on a Bikini target ship at all, the junior felt impelled to temper his defense of that famous porker. She was on the Sakawa, he says positively, and after the Jap cruiser was sunk by Atom Bomb Baker the lady did swim—or keep afloat—at least four hours until she was picked up.

Thus another atomic controversy has been settled. A pig can swim. So there.

FAVORITE STORY . . .
The Wall Street Journal recounts another story for the "newspaper-boner" files. It seems that a daily newspaper published in a southern city printed a story one day about a boy being burned. The item started out this way: "Willie Brown, the boy who was burned in the West End by a live wire"—
The managing editor, noting the item, took both reporters and proofreader to task in the best managing editor's manner.
Snarling at the reporter, he inquired: "What, pray tell, is the west end of a boy?"
"Why," rejoined the staffman, "the end the son sets on, of course."

Greek voters seemed to have supported the return of King George as the best way to ward off peril of the independent party being absorbed by Russian influence.

Funny how quiet and deserted the business section appears during school hours the first day the kiddies return to classes.

Motorists in the section can take a bow for the careful manner in which they drove over the triple holiday.

Washington Daybook

By JANE EADS
WASHINGTON — Scholarships to England's Oxford University awarded by Cecil John Rhodes have long been prize plums to the educationally hungry.

Now comes Uncle Sam with a project that will dwarf the famed British gift by its scope. President Truman recently signed a bill which provides that up to \$20,000,000 can be earmarked for educational exchanges with any country which buys surplus property, and up to \$1,000,000 can be spent each year in each country where such a deal is made. The bill was introduced in Congress by Senator J. William Fulbright (D-Ark.), former president of the University of Arkansas, who has studied the progress of student exchanges abroad and was himself a Rhodes scholar. Under the legislation, the Department of State is authorized to use some of the proceeds from surplus property sales abroad for exchanges of students and other educational activities. The bill provides that American students can be given grants of foreign currency to be used for education and research in foreign countries and that American professors can be given grants to give lectures in foreign institutions. Foreign students can be given scholarships to study at American institutions abroad, or they may receive funds to pay their transportation to this country to study. The bill does not authorize expenses of foreign students here.

THE Rhodes Scholarships to Americans were suspended during the war. Normally about 35 students received the award at Oxford University. They amount to about \$1,600 each and are tenable for two years. They were also held by students from every important British colony and later a certain number were held at the disposal of German students.

Here's what we have done in the First Post-War Year

THIS IS A RECORD of what we have accomplished in Pennsylvania in the first post-war year.

It is a record made against heavy odds . . . against material shortages which became increasingly acute . . . against a supply situation which at times became worse instead of better . . . against a plague of other reasons quite beyond our control.

But perhaps the biggest odds were the least predictable:

Demand for telephone service—new demand—skyrocketed to unprecedented heights . . . far beyond any previous experience in the company's history . . . far beyond our calculations and predictions . . . far beyond, it may almost be said, our comprehension.

In spite of all this, we have forged ahead.

And This is What We Did

- We added 206,000 telephones in Pennsylvania . . . or 100,000 more than we added during 1941, the biggest year, by a wide margin, in our history.
 - We took more than 190,000 names off Pennsylvania waiting lists for telephone service, even while new demand was adding over 160,000 more.
 - We supplied telephone service to almost 20,000 new families in the rural areas of Pennsylvania which we serve.
 - We broke ground for the construction of nine new buildings, and began essential enlargements on four old.
 - We made 161 dial central office additions and 87 manual central office additions.
 - We installed 197,500 miles of wire in exchange cables.
 - We took the first experimental steps toward introducing mobile radio-telephone service in Philadelphia and Pittsburgh—a service that ultimately will enable cars and trucks to have two-way telephone service to any telephone connected with Bell System lines.
 - We spent nearly \$30,000,000 for new telephone plant to serve Pennsylvania telephone users.
- In short, we made real progress toward our goal—to provide the world's finest telephone service to anyone who wants it anywhere in the territory we serve.

But there's still a big job to be done

In some places, at some times, telephone service is not so good as we would like it to be—not so good as telephone users want it to be. When central office equipment must carry more calls by far than it was ever intended to carry, there are bound to be occasional delays. We don't like delays. It will take major additions to central office facilities to restore service to its accustomed round-the-clock high quality. That we're determined to do as fast as we can get what we need.

4 tablespoons butter, 1 cup crumbled
margarine, crumbled

Wash oysterplant, scrape clean and slice thin. Cover with boiling water and cook gently until soft, about 30 minutes. Remove from flame. Add butter or margarine and salt. Place in casserole or baking dish and sprinkle with buttered crumbs. Bake at 325° 20 minutes.

Frozen Banana Cream
4 ripe bananas, 4 egg yolks
2 tablespoons 1 tablespoon
jam or jelly, 1/2 cup
Few grains salt, 1/2 cup cold water
1/2 cup powdered 1 pint whipping
sugar, cream

Peel and force bananas through fine sieve. Add lemon juice and salt. Add sugar to unbeaten egg yolks and beat until light, thick and lemon-colored. Soak gelatin in cold water five minutes; then dissolve by setting cup in pan of hot water. Fold into banana mixture with stiffly beaten cream and eggs. Beat gently for about four minutes. Turn into trays and place in refrigerator to freeze, two and one half to three hours, stirring three times.

SURPRISE REUNION
Mr. and Mrs. Harry Crispshaw and son, Henry, of Buffalo, N. Y., were Sunday visitors of Eugene Crispshaw, arriving in Warren in time to see Mr. Crispshaw's sister, Mrs. Mayme Ehrhardt, her son, Walter, and grandson, Robert, who left on the bus at five o'clock Sunday afternoon for their home in Goose Creek, Texas. Brother and sister had not met for 15 years, the occasion proving a very happy, if brief, one. Each family moved from Warren about 20 years ago.

ALTAR SOCIETY
AT ST. JOSEPH'S
Fall activities will be resumed Friday evening for the St. Joseph's Altar Society, when members will hold a meeting at 7:30 o'clock, with services in the church and a business session and social hour following in the club-rooms. All members are urged to be present, as final plans will be made for the holding of the annual rummage sale on September 20 and 21st in the former Beyer building. The committee in charge will serve refreshments for Friday's meeting.

FAREWELL PARTY
FOR TWO ENLISTEES
A farewell supper was given Sunday evening by Mr. and Mrs. C. H. Ristau in honor of Andrew "Buddy" Gantz and Melvin Morgoch, who have enlisted in the United States Army. Mr. Gantz is the son of Mrs. John A. Nelson, Jackson Run Road, and has been employed by the Solar Lamp Company. Mr. Morgoch, who resides with his sister, Mrs. Nelson, was just recently discharged from the service. Guests were Miss May Hayday, of Buffalo; Mrs. Pearl Hayday, Youngsville; Miss Nettie Nelson, Miss Audrey Gantz, Jackson Run Road; Mr. and Mrs. David Ristau, Warren.

TODAY'S BRIDE IS HONORED AT PARTIES
Miss Marian Hollister, who is observing open church this afternoon for her wedding in St. Paul's Lutheran church, was honored guest for a bridal shower given recently by Mrs. Valerie Gardner, Mrs. Zora Gibson and Mildred Dunkle at the Gibson home on Crescent street. The evening was spent in playing games, with high prizes going to Mrs. Katy Hart and consolation award to Mrs. Burla Rickerson.

The bride-elect was presented many lovely gifts from the following: Mrs. Yada Johnson, Mrs. Burla Rickerson, Mrs. Marian Adams, Mrs. Dorothy Dunkle, Mrs. Joette Tuttle, Mrs. Alfred Hollister, Mrs. Louise Steiber, Violet Lilla, Sigrid Johnson, Talitha Fuller, Madeline Magnuson, Mae Magnuson, Mrs. Mabel Phillips, Mrs. Katy Hart, Marian Berry and the hostesses. New Players' Project

Further evidence that the Warren Players is ever striving for improvement comes with announcement by Helen Morrow, program chairman, that arrangements have been made with the Allegheny College Department of Drama and Speech to give Warren Players a professional course of instruction. The program committee has spent many months studying the possibilities of such a project and the happy result is a course offered by the college under the supervision of John J. Hurlburt, head of the drama department. Mr. Hurlburt is also executive secretary of the American Educational Theatre Association. This selection was made after investigating the programs offered by several schools of drama and the result has been received with much enthusiasm. While all details have not yet been released, it is known that this course is offered to Warren Players as part of the season's program and at no additional cost. The course, which will be given one night a week for six weeks, will stress directing and acting, thus aiding the players in development of their own talent. The classes will be carried out in conjunction with the Players' second production, which will be presented exclusively for the membership. To learn by doing is a proven principle in the theatre and this experience should make the production one of the most notable in the careers of Warren's theatre enthusiasts. This project is indicative of the serious effort the Warren Players Club is making to give Warren a community theatre of which its citizens may be rightfully proud.

Bernice G. Lundmark Is Late Summer Bride In Akeley Church Ceremonial

A beautiful late summer wedding took place Friday evening, August 30, in the Akeley Methodist church, when Miss Bernice Genevieve Lundmark, daughter of Mr. and Mrs. Victor O. Lundmark, Akeley, became the bride of Lewis J. Sears, son of Mr. and Mrs. Jefferson Sears, of the same place. Rev. Philip Schlick officiated at the candlelight service in the presence of a large company of guests. Two large floor baskets of pink and white gladioli and greenery, with candelabra, formed the bride's setting. Candles were also placed in each window of the church.

While the guests were assembling, Miss Alberta Sears, sister of the groom, played a short recital of wedding music, with the traditional processional and recessional. She also played softly during the pledging of the vows. Mrs. Chester Anderson, a close friend of the bride, sang "Because" and "Oh Promise Me" preceding the ceremony. Miss Elsie Lundmark, sister of the bride, was maid of honor. She was gowned in pink lace and net, fashioned with a sweetheart neckline and a peplum. She wore a band of pink flowers in her hair, and carried a bouquet of pink gladioli bells and gypsophylla tied with a pink satin ribbon. Miss Beverly Lundmark, another sister, was bridesmaid. She was gowned in blue lace and net, made like the maid of honor's gown. She wore a band of blue flowers in her hair, and carried pink gladioli bells, and gypsophylla tied with a deep rose satin ribbon. The tiny flower girl was Miss Sandra Jean Haller, niece of the bride. She wore a long frock of white marquisette, with a sash of white satin, tied in a bow at the back. She carried a basket of gladioli and garden flowers.

The groomsmen were Warren Park, best man, with Leland Haller and George Joy, the groom's cousin, as ushers. The bride was given in marriage by her father. Her lovely wedding gown was of white satin, with a scalloped neckline, and peplum. The full skirt was of net. Her bridal veil fell fingertip length from a latticed cap, and her bouquet was of white gladioli bells, baby pompons, and gypsophylla, tied with a wide satin ribbon. A single strand of pearls and white sandals completed her beautiful costume.

Both mothers chose aqua dresses, with black accessories, and had corsages of pink roses and sweet peas. A reception was held in the church parlors for 200 guests. The bride's table, with covers for 18, was centered with bowls of garden flowers, double candelabra in crystal, with white tapers, and four-tiered wedding cake, surmounted by a tiny bride and groom. A large wedding bell was suspended over the table. Other guests were served from a buffet. Mrs. Harold Arthur poured and aides were Mrs. Millard North and the Misses Romaine Larson, Norine Holt, and Gladys Arthur. Mrs. Leland Haller, gowned in a black and white print jersey dress, was mistress of ceremonies. The bride couple presented their attendants with gifts.

Mr. and Mrs. Sears left for a honeymoon to Watkins Glen and the Finger Lake region, after which they will reside in Warren. For travel, the bride chose a smart

Cpl. Anna E. Bruno
Is Bride At Camp
M'CoyPostChapel

Announcement of a wedding of considerable local interest is made in the following special army dispatch received from Camp McCoy, Wis.:
Cpl. Anna E. Bruno, daughter of Frank Bruno, Tiona, Pa., and Cpl. Arnold B. Stalder, son of Mr. and Mrs. Ernest Stalder, of Strool, N. D., were united in marriage Sunday afternoon, August 25, at 5:30 o'clock in the post chapel.

Chaplain Urban S. Konopak officiated, using the double ring ceremony. Pfc. Avis D. Dawson, WAC medical technician, attended as bridesmaid, and Sgt. James R. Bush, member of the MP detachment, as best man.

The bride and her attendant wore tropical worsted uniforms, the former with a shoulder corsage of white roses and gladioli and Pfc. Dawson with pink and white roses.

Mrs. Stalder left Monday for the separation center at Ft. Sheridan, Ill., and, upon receiving her discharge from the army, will join her husband at McCoy. She has been assigned here as clerk in the separation finance section. Cpl.

BROOKLYN MOVES UP A HALF GAME; KIRBY HIGBE HELPED BY BEHRMAN GETS THE WIN

(Associated Press Sports Writer) The Brooklyn Dodgers fell on their old "cousins" from Philadelphia last night to chip a half game off St. Louis' lead.

The Cardinals were idle, so the Dodgers moved to within two games of the National League lead. Each has 24 games to play.

Kirby Higbe Manager Leo Durocher's "stopper," showed signs of wear and tear in earning his 14th victory of the season over the Phillies 6-4.

The Phils sprinted for three in the eighth, and Hank Behrman saved the day.

For what was supposed to have been an open date in both leagues, yesterday was a busy day with six games.

Lefty Bob Chapman shut out Pittsburgh with five hits, 2-0, as Chicago's Cubs continued their belated drive which probably will do no more than assure them of finishing third ahead of Boston.

Tommy Holmes was the big gun in Boston's 6-4 shade over the New York Giants, the Braves' outfielder banging a bases-loaded double during a four-run rally in the seventh inning that inspired our starter Dave Koslo. Although Bill Lee received credit for the win, Billy Southworth used Jim Wallace and Mort Cooper to halt a Giant uprising in the late stages.

Chicago and Detroit struggled for 16 innings before the White Sox managed a 4-3 verdict. The Tigers broke a 2-2 tie with a run in the first of the 16th but Chicago came back to score twice and beat Stubby Overmire who pitched to only two batters but allowed two hits.

Cleveland climbed into a fifth-place tie with Chicago on a double play over St. Louis 5-3 and 7-3. Lou Boudreau had to use Bobby Feller on relief to save the opener.

The New York Yankees Boston Red Sox, Philadelphia Athletics and Washington Senators were not scheduled in the American and St. Louis and Cincinnati were idle in the National.

Big-Time Football Returns To Villanova; Huge Schedule Faced By This Year's Team

BY HERB ALTSCHULL Villanova, Pa., Sept. 2.—(P)—Big-time football returns to Villanova this year with the main line college tackling one of its toughest schedules in history.

Jordan Olivar, youthful coach of the Wildcats, says "this may be the year."

"The boys who played before entering the service have surprised me," Olivar remarked today. "They are very serious and quite intent on catching up on time lost while in service."

Some 15 members of squads from 1941 to 1944 on hand plus 20 holdovers from last season during which the Wildcats hung up a .500 record.

Nevertheless, it's a long haul for Villanova to overtake Penn State, which has a commendable 4-4 won-lost record against tough opposition, and Temple, wartime stalwarts in the Philadelphia area. The opening of the first postwar Villanova season is set for Saturday September 12, when Villanova encounters the U. S. Merchant Marine Academy from Kings Point, N. Y.

Thereafter Villanova tackles Army, Navy, Holy Cross and other topflight squads.

Olivar singled out several veterans whose play has caught his attention, including end Bill Sullivan, a star on the 1942 and '43 squads.

"I wouldn't be surprised," said Olivar, "to see him equal the record of Johnny Wysocki, one of the greatest blockers in Villanova history."

Halfbacks Romeo Capriolette, Vince McPeak, Bob Polidor and Joe Rogers are regarded as fast and shifty and capable of making Villanova a tough customer for all opponents.

With the exception of A.A.R., the Wildcats "won't concede anything to anybody," said Olivar.

That "anybody" runs like this: Sept. 14, Kings Point at home; Sept. 21, Army at West Point; Sept. 28, Navy at Annapolis; Oct. 4, night, Marquette at Shibe Park; Oct. 12, Holy Cross at Worcester, Mass.; Oct. 20, Georgetown at Shibe Park; Oct. 25, night, Boston College at Boston; Nov. 1, Miami (Fla.), night, at Shibe Park; Nov. 8, Detroit at Detroit; Nov. 16, Florida, night, at Gainesville, Fla.

Warren Loses Opportunity To Get Lockport Franchise

The news that the Lockport franchise in the PONY League has been sold by the owner, William J. Schumacher, to a group of Lockport businessmen and sports enthusiasts is of interest locally, for as recently as two weeks ago Warren was being considered as the 1947 home of the Lockport Cubs.

Under the impression that Warren had a field ready for play, Schumacher paid a visit to this city in August. Besides the franchise and players, he owned the lighting equipment and grandstand which he also planned to move to this city before the 1947 season opened.

After inspecting Russell Field, he came to the decision that too much money would have to be expended to put it into shape. This, on top of the expense of moving the lighting and seating equipment to this city, influenced Schumacher to hold to his original decision to dispose of his baseball interests in Lockport. The reported price was \$25,000 and other considerations. The team has a working agreement with the Chicago Cubs and this season was managed by Joe Glenn, former New York Yankee catcher.

National Forge Baseballers Win Three In Holiday Meets

The National Forge baseball club won a triple victory on Labor Day, the first win over Brockway and the first two over New Bethlehem in the afternoon and evening in which "Diz" Hines played the role of iron man, going the distance in the last two. The wins made the Forge win-loss record shoot up to 27-12 leaving the percentage at .693, decidedly a good average in any league.

The Forgers started at Brockway on Labor Day morning and defeated their strong team before the largest crowd to turn out for a home game all season. Caffrey was master in the 12-5 win while his mates touched two Brockway hurlers for 18 hits. Majnik and Rosequist hit homers for the Forge while Hines and Petrowski. Rosequist and Natale with three apiece. Unterreiner hit his eighth homer in the first Bethlehem game to lead the Forgers to a 3-6 win.

Southok, brother of the New York Yankees' first baseman, was imported to halt the Forge. Coming in with was knocked for 19 hits, making the Forge total 37 in two games.

Dingfelder homered for the locals and Rosequist tripled in the night game as the Forgers came out with a 6-3 victory.

Red Jackets Hold Practice

The Warren Red Jackets semi-pro football team held one of its early practices at Beatty Field last night, with Harry Rosequist running the backfield through plays and working them out generally, while Ken Wisner, acting line coach and active player, who is on the New York Yankee Footballers, ran the line through practice, giving them many value hints as to blocking and charging. Ken is a Warren High letterman who has had two years of college football at Villanova and has recently been with the professional team in New York. He expects to leave, but has offered his services to the Jackets, who can readily use the fruits of his experience.

Uniforms have not been issued as yet, but the boys are getting toughened up to get ready for scrimmage, and the uniforms will undoubtedly be issued soon by Steve Massa, who is in charge of the equipment.

Erie Sailors Crippled For The Play-Offs

Erie, Sept. 4.—(P)—The Erie Sailors, Middle Atlantic League champions, open first round play-offs with third place Youngstown here tonight, with the local club in its poorest physical condition of the year.

Five players, including two regular pitchers, are injured and Manager Steve Miserak is at his Perth Amboy, N. J., home where his father is seriously ill.

Erie closed the regular season with a 13-game margin and set a new attendance record. Unofficial figures show the Tars played before 101,974 fans, exclusive of season tickets and special 15-game tickets. The team played 65 home games on 53 days. Highest single attendance was 3,542, the lowest was 574 and the average 2,050.

The Sailors also announced renewal of their working agreement with the New York Giants for 1947.

City League Bowlers Meet Thurs. Night

The first meeting of the City League Bowlers proved to be a flop with only ten out of a possible forty bowlers showing up. Due to this dis-interest and the fact that several of last year's bowlers are not entering the league this year, it was decided to make the league an open one with only four teams.

Another meeting is being held Thursday, September 10, at the Penn Bowling Alleys to determine definitely what is to be done, so all bowlers who are interested are asked to come and voice their opinion. Meeting time is 7:30 p. m.

The men listed below are bowlers in the last year's league, and are asked to turn out, any others interested are welcome. They follow:

Myron Check, Tony Fazio, Paul Coppola, Norm Wooster, Eddie Hagberg, Barney Malone, Augie Karlson, Sam Cosmano, Dick Check, Jim Thomas, Vern Anderson, Bob Check, Frank Russell, Mike Bleach, John Waples, Louis Check, Glenn Groesch, Dr. J. Tennis Title Open; Kramer Looking Good

BY GAYLE TALBOT Forest Hills, N. Y., Sept. 4.—(P)—Up to this point, the National Tennis Championships have proved nothing except that this country, coming out of a war, doesn't possess a great amateur player of the type that dominates the court from the moment he sheds his jumper.

The last such player was, of course Donald Budge, who turned pro before the big conflict began.

The best of the present crop appears to be Jack Kramer, a tall angular specimen with a blond crew haircut. The popular prediction today, as the title matches went into the fifth day, was that Kramer would meet Frankie Parker, the not-so-young defending champion, in a final match next Sunday.

Yesterday, Kramer had everything he could do to eliminate Edward Morylan, an unknown from Trenton, N. J., 6-4, 6-4, 6-4. Billy Talbot, another team member, was carried to 6-4, 6-4, 6-4, by one Earl Cochell of Los Angeles. Parker trimmed Harry Likas Jr., of San Francisco, 6-0, 6-2, 6-3.

Bob Falkenburg, the lanky collegiate champion from the University of Southern California, reached the quarter finals of the championships yesterday with a 6-4, 6-4, 6-2 win over another highly-famed young player, Budge Patty.

Servo's Title Open; Refuses To Meet Negro

New York, Sept. 4.—(P)—Promoter Mike Jacobs began laying plans today for a boxing tournament to select a successor to Marty Servo, whose world welterweight title was declared vacant yesterday by the New York State Athletic Commission.

Although Servo still is recognized by the National Boxing Association as the champion the New York State Athletic Commission lifted the New York version of the title from the Schenectady, N. Y., battler for his refusal to defend it against Ray Robinson here Friday night.

An injured nose, the same trouble that caused the champion to ask a postponement of his original date with Robinson last May, again interrupted plans for the bout scheduled this week in Yankee Stadium and brought about the commission's action.

Servo's nose was hurt in training last Thursday and his manager, Al Weill, announced Monday that the fighter would be unable to go against Robinson.

YOUNG ZIVIO WINS
Pittsburgh, Sept. 4.—(P)—By a second split decision, Charley (Young) Zivio last night won another victory over Sammy Adragna, of Carnegie, in a 10-round main event bout at Zivio Arena before 2,500 fans. Zivio weighed 130 and Adragna 146. The nod went to the Pittsburgh fighter after judges awarded each fighter five rounds and Referee Buck McTierman favored Zivio. An earlier Zivio-Adragna fight ended the same way.

SOCIAL EVENTS

DORCAS CLASS Dorcas class members of First Lutheran church will hold their regular business and social meeting in the parish house at eight o'clock Thursday evening.

TEA FOR GUEST Mrs. Alan Templeton gave an attractively appointed tea at her home, 7 Hemlock street, this afternoon, to honor Mrs. H. C. Hickman, of Windsor, Colo.

Mrs. Wickman, with her husband, is spending two weeks here with the Alan Templetons and her son-in-law and daughter, Mr. and Mrs. Gail Templeton, who reside at the same address.

MISSIONARY SOCIETY All members and friends of the First Evangelical Missionary Society are urged to be in attendance at the regular meeting to be held at 7:30 p. m. Thursday in the Folkman parlors of the church. The schedule will include devotionals, a lesson period, a business session and social time, with refreshments served by the Misses Anne Brown and Maxine Custer and Mrs. S. F. Custer.

WEDDING IS OF INTEREST LOCALLY Friends have received announcement of the marriage of Rachael Louise Clough, of Union City, to Clyde John Eckert on Saturday, August 31, in Pittsburgh, the couple to be at home after September 15 on North Fifth avenue, Union City.

The bride will be remembered as the daughter of the late Lou and Elizabeth Clough, formerly of Warren. A talented musician, she has appeared here in song recitals for the Philomel Club and other groups.

Truman To Make Campaign Talks

Washington, Sept. 4.—(P)—President Truman today ordered the establishment of a federal committee to begin a continuing campaign for the reduction of highway traffic accidents.

Philadelphia, Sept. 4.—(P)—M. W. Clement, president of the Pennsylvania Railroad, will receive Franklin Institute's Vermilvee medal Oct. 4 for his outstanding contribution to the field of industrial management.

LEAP FROM FLAMES Pittsburgh, Sept. 4.—(P)—A 71-year-old man and a young mother holding her two-year-old baby in her arms leaped from second floor windows of a burning North Versailles township home early today. Only the baby escaped injury. The mother and the elderly man were hospitalized, the latter being critically injured in the 12-foot leap.

MARTIN Meyersdale, Sept. 4.—(P)—Governor Edward Martin today reiterated that Americans "must depend on free enterprise and individual effort to develop all that can be worthwhile in the economic life of the community, the state and the nation."

In an address prepared for delivery at the Meyersdale fair, the governor, Republican candidate for the U. S. senate, added:

"Development cannot come under burdensome and unnecessary regulations if it is to come from handouts from the public enterprise."

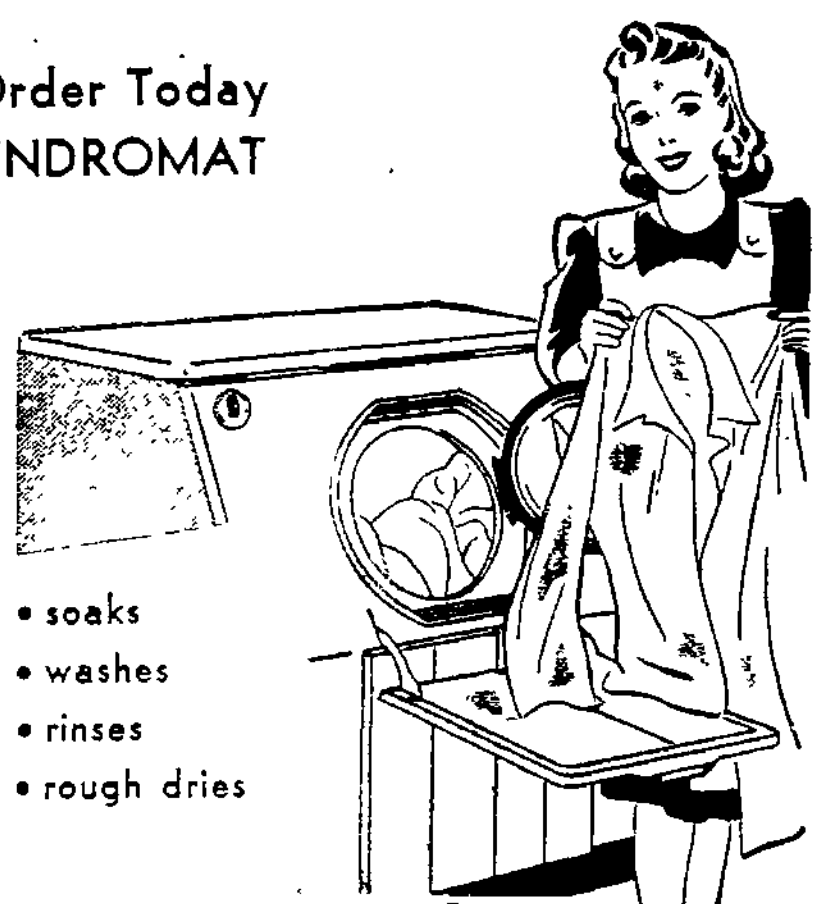

COURT JANITOR SUICIDES New Castle, Sept. 4.—(P)—Clifford R. James, 44, superintendent of the Lawrence county court house for the past 17 years, was found dead of a 22 caliber bullet wound today. Sheriff Frank L. Coon said James, who had been ill, had killed himself. The body was found in the basement of the courthouse. James leaves his widow and two children.

New Contract With Sylvania Is Outlined

The first national contract between the United Electrical, Radio and Machine Workers of America (UE-CIO) and the Sylvania Electric Co. was ratified here Aug. 29 by Local 633 of the union, it is announced by James Stewart, who is Chief Steward of the Warren plant.

A wage increase of 16¢ an hour was negotiated by the union last May and is included in the contract, which will expire May 6, 1947.

Affecting 172,000 employees in 11 plants in three states, the contract provides for union shop, pay for four holidays annually if not worked with double time for six holidays if worked, improved grievance procedure, seniority provisions, paid vacations of two weeks after three years' employment and one-half week after one year's employment, a military service clause and other provisions.

The Sylvania plants covered by the contract are located in Emporium, Johnstown, Altoona, Wilkes-Barre, Warren and Mill Hall, Pa.; Huntington, W. Va.; Jamestown and Kent Gardens, N. Y. and Salem, Mass.

Delegates from Local 633 who participated in the negotiations in New York was James Stewart.

OUR MEN IN SERVICE

WITH 1ST MARINES
Pvt. Gordon L. Armstrong, USMC, and his parents, Mr. and Mrs. G. L. Armstrong, formerly of Warren, spent the weekend here with Mrs. Grant Armstrong, 116 Canton street. Gordon was recently graduated from Bradford High School and has just completed his basic training at Parris Island, S. C. He will return there this week for reassignment with the First Marine Division.

New Process Is Beautifying Vacant Plot

A fine contribution to the beautification of Warren's business district is being made by the New Process Company.

Last week work was started on the landscaping of the area between the New Process Company's main building and the I. O. O. F. building on Hickory street.

This area, until recently an unusual alleyway, will be bordered with planting of native growth, including laurel and rhododendron on the southern side, taller shrubbery on the east and low clinging plants on the northern edge.

The center will be covered with a bituminous surface.

As the surfacing contractor's equipment was already in Warren, it was possible to begin the project immediately upon approval of the plans and the work will be completed soon.

As many visitors to Warren visit the nationally known mail-order firm when in this city, the combination of the ultra-modern office building and the attractively landscaped plot will serve to give a highly favorable impression of our community to our guests.

Sugar Grove Fair Changes Poultry Plans

Because of a special notice which has been received from the Pennsylvania Department of Agriculture, the poultry department of the Sugar Grove Community Fair September 12, 13, and 14, will not function.

According to this letter which was signed by Miles Horst, Secretary of Agriculture for the state of Pennsylvania, the presence of a potent poultry disease which is called the Newcastle Disease has been discovered in twenty states, and Pennsylvania is one of them. Because of this and the discovery that this disease is transmitted through contact by bird to bird, any such exhibitions of live poultry for any purpose other than slaughter is prohibited within the state of Pennsylvania from September 1, 1946 until further notice from the department. It has, therefore, been decided that the department will be entirely abandoned during this current year.

At the meeting of the fair directors and superintendents held a week ago, it was the expressed wish of the people present to emphasize the need for exhibits in the poultry department this year. A shortage of sugar and of fresh food materials have lead those in charge to believe that canning this year is light, and we, therefore, feel that there should be a special effort to secure exhibits. Information concerning the classes in the canning department can be secured from page 24 of the current fair catalogue, and substantial prizes are offered for winnings in this field.

During the first part of this summer season a special bulletin was sent out from the Home Economics Department of the local high school in which instructions were given concerning the points which should be considered in selecting exhibits of these products. The public is again urged to read this bulletin once more and to then employ its information in the selection of exhibits from the supplies that are on hand. If each person takes this seriously, the number of exhibits will naturally increase and competition will be keener and more interesting.

We would like all to remember that although competition is the "spice" in ordinary life, it is the life itself in the fair and its activities.

Pittsburgh Synod Luther League Elects Officers Here

When the Luther League of the Pittsburgh Synod met here Saturday, Sunday and Monday, the group, in its seventh annual convention, elected the following officers:

President, William Mull, Jeanette, executive secretary, Adeline May, Erie; secretary, Helen Best, Knox; assistant secretary and publicity secretary, Alex Black, Dravosburg; treasurer, Cora Gongaware, Grapeville; statistician, Dorothy Schilling, Pittsburgh.

Speaking at the fellowship banquet, held Saturday evening in the Y. W. C. A., the Rev. E. K. Rogers, pastor of the First Lutheran church, said that "we all must have steadfast faith. When your religion really means something to you, then all the pain and trouble of the world will cease. When the men of this world, black, yellow, white, Catholic, Protestant, and Jew really begin to believe in their religion, then will they be able to settle their differences. That is the goal for which we must strive."

At the candlelight installation service for the newly elected officers, Sunday evening conducted by the convention chaplain, the Rev. M. L. A. Schilling, pastor of St. Paul's Lutheran church, Vandergrift, the speaker was the Rev. C. O. Duford, pastor of St. John's Lutheran church, Erie. He stated, "It is not for us to question the ways of the Lord. Just as Henry Hudson, the famed explorer, had the inspiration and belief in his mission, that sent him on again and again, seeking a Northwest Passage, we too must have inspiration and belief in our mission as missionaries for Jesus Christ, if we are to succeed."

Using as his subject, "The Task and Test of Our Time," Pastor Duford urged the crowd of over 200 delegates and visitors "to chart your course and follow it faithfully. Take no heed to detours, but stay on the path. The youth of America is preparing itself for a new day. The youth of America is you, and you, too, armed with armor of God and the sword of the spirit, can do nothing but go forward. God willing and helping, you shall conquer in the name of the Saviour."

Among the many business items presented to the convention was the new Synodical Luther League missionary project, the raising of funds to aid the construction of a camp for teaching Christian leadership to the synod's youth.

It was also announced that September 22 is Youth Sunday, when the offerings will be for the 50th anniversary appeal by the Luther League of America.

A prominent visitor at the convention was Clarence L. Neun, of New York, who was representing the Luther League of America.

Youngsville Dog Show Set For Thursday

The annual dog show which will be a feature of the Youngsville fair will be held Thursday evening at 7:30 o'clock with separate classes for all breeds of canines. First, second and third prizes being awarded in each class. Ribbons for first, second and third place winners in all breeds will also be awarded.

The prizes will be in cash, \$3 for first, \$2 for second and \$1 for third for each group. A \$10 cash prize will be given for the best dog in the show. The entry will be \$1 for each dog, which should be entered by seven o'clock.

William H. Warr of Warren, will again judge all breeds. Don Warner is chairman of the show and Gordon Clark will be ring steward and clerk.

Over eighty dogs were exhibited in the show last year and the committee is hopeful of having at least 100 this week, reminding that dogs should be entered no later than seven with the judging starting promptly at 7:30.

Help Over the Years

By MULLEN DRUG CO.

The years between the early teens and middle age are vastly important in a woman's life, and often a doctor's advice is necessary and advisable.

Early correction of any irregular or abnormal condition is important for continued good health and happiness.

Excessive modesty has no place here. The doctor can read symptoms and begin cures which may be simple if begun early. Neglect may lead to difficult, lengthy cures which even then might be to no avail.

Any medication must be of the highest quality. Be sure to patronize a reliable druggist.

This is the first of a series of Editorial Advertisements appearing in this paper each Wednesday.

WHAT CAUSES EPILEPSY?

A booklet containing the opinions of famous doctors on this interesting subject will be sent FREE, while they last, to any reader writing to the Educational Division, 535 Fifth Ave., New York, N. Y., Dept. J-1217 (adv.)
